

## STYLE GUIDE

**h. Headers:** All my headers for all of the webpage are going to be blue with vanishing images.

**<link> Links:** all links are going to be tabs and in light-green colour, borders around them

**a.hover:** A hover property will be for all links and images

**<img> Images:** Images are going to be on block sections with a hover property that brings out the information of the image.

**Text:** All text will carry the same format in all pages.

**Nav bar:** this is going to be Horizontal with social media icons on it on each page.

**Sidebar:** This is going to contain all the news and update about products and other feeds on the right hand side of the page, in a light blue color with all the text scrolling up.

**Footer:** this is going to contain the terms and conditions document and it going to be in a black color with white text and also fricht below the page for all pages.
